What does it mean to be a Covenant Member at Crossings Community Church?

Covenant Members embrace the desire to live and work intentionally towards developing four areas of church life that include:

Identity- pursuing deeper and deeper personal intimacy with Christ

Community- living intentionally connected to the family of God

Stewardship- fostering a generous spirit and resourcing (with finances, material goods, spiritual gifts, time, etc.) the work of God's church, universal and locally.

Service- loving God and our neighbor by understanding and walking in ministry and giftedness.
